# Questions to ask Floral Designer

How long have you been creating floral arrangements for weddings?

Could you please show me some wedding examples you've created, especially ones that match my style?

Have you previously worked at my venue? If you have, could you share any photos or recommendations for the space??

How would you describe your floral design style?

Can you help me create the wedding theme I've always envisioned?

What flowers or floral styles do you recommend for my wedding's season, venue, and color palette?

How do you incorporate trends while keeping designs timeless?

What's your minimum budget requirement for weddings?

What floral elements typically cost the most?

Do you offer any floral packages, or is everything customized?

Are there any additional charges for specific flowers, out-of-season blooms, or large arrangements?

Which flowers are in season for my wedding date?

Can you recommend alternative flowers that would give the same look and feel but are more affordable or in season?

What is your process if a particular flower becomes unavailable closer to the wedding?

What floral elements are included in your standard wedding service? (Bouquets, boutonnieres, centerpieces, altar arrangements, etc.)

How many different centerpiece designs can you create for the reception tables?

Do you provide additional décor elements such as candles, arches, lanterns, or greenery installations?

Can you design ceremony and reception flowers in line with my theme (e.g., hanging installations, aisle décor, floral arches)?

Do you handle delivery, setup, and breakdown? Are there extra charges for these services?

Will you be on-site the day of the wedding to ensure everything is set up properly?

What is your backup plan in case of a flower delivery issue or mishap?

How early will you need access to the venue for setup?

Do you use any sustainable or eco-friendly practices, like sourcing locally or repurposing flowers for reuse?

Are there any unique floral details you can suggest to make my wedding arrangements stand out? (e.g., flower crowns, floral chandeliers, greenery walls)

Can you customize bouquets or arrangements with specific family heirlooms, ribbons, or sentimental objects?

Do you offer any add-ons like flower petals for the aisle or floral wreaths for the entrance?

What is your payment schedule? Do you require a deposit to reserve my date?

What's included in your contract, and are there any extra fees I should be aware of (e.g., travel, setup)?

What is your cancellation or postponement policy?

How far in advance do you need final decisions on floral choices and quantities?

Do you offer a floral mock-up or sample before the wedding day? If so, is it included in the cost?

When will we finalize the floral design and details?
