

WEDDINGS BY ANKITA

# Questions to ask DJ, Sangeet

How long have you been working as a DJ for weddings and events?

What is your style of DJing, and how do you adapt to different types of events or crowds?

Have you worked at my venue before? Are you familiar with the acoustics and layout?

How do you handle song requests from the couple and guests? Do you have a process for incorporating these requests?

**Do you provide a list of songs or genres you specialize in? Can we review or customize a playlist?**

**How do you ensure that the music matches the mood and theme of the event?**

**Can you accommodate special music needs, such as cultural or religious requirements?**

**What equipment do you use for sound and lighting? Do you provide your own equipment, or do we need to rent anything?**

**What backup equipment do you have in case of technical issues?**

**Do you offer a consultation or planning session before the wedding to discuss details and preferences?**

How do you coordinate with other vendors, such as the wedding planner or venue, to ensure smooth operation?

What is your pricing structure? What is included in the price (e.g., setup, breakdown, additional services)?

Do you require a deposit to secure your services? What is the payment schedule?

What is your cancellation or rescheduling policy?

Do you have a written contract? What are the terms and conditions?

**Sangeet Planning**

Do you offer services specifically for sangeet events, including playlist curation and choreography?

Can you work with a choreographer or live musicians for the sangeet? How do you coordinate with them?

What types of music and dance styles do you typically include in a sangeet? Can you incorporate specific cultural or regional elements?

Do you provide any additional services for the sangeet, such as lighting effects or special audio features?

How do you create a playlist for the wedding? Can we provide a list of must-play songs or genres?

Do you have experience with creating specific playlists for different parts of the wedding (e.g., cocktail hour, dinner, dancing)?

Can you accommodate special requests, such as live performances or guest musicians?

What type of lighting do you offer for the event? Can you customize lighting to fit different parts of the evening (e.g., dinner, dancing)?

What is your backup plan in case of equipment failure or other issues during the event?

How do you handle last-minute changes or unexpected requests?

How do you engage with guests and keep the energy up throughout the event?

What is your approach to making announcements and interacting with the crowd?
